

A space for innovation,
set for your vision.

Prime location

Direct motorway access, close to the train station, Zurich and the airport nearby

Versatile use

Ideal for tech, administration, start-ups, craftsmen, co-working spaces, e-commerce, and much more

Green Building

Sustainable renovation, PV facade, low energy consumption

In the heart of the Zurich-Bern-Basel economic triangle, the Futura Tower is creating a place for future-oriented work.

The modern, renovated commercial property in Lupfig combines maximum flexibility, high-quality infrastructure, and a strategically strong location. Whether you are an SME, a craft business, or a growing company, this is where you can design your working environment individually and scalably.

Experience a business location that adapts to your needs: from flexible spaces starting at 100 m² to entire floors.

The Futura Tower stands for modern working and genuine freedom of design.
